

## Learning Objectives

- Enter 1-2 Learning Objectives in behavioral terms for every 10 minutes of presentation.
- Enter one Learning Objective per box.
- Do not number the Learning Objectives.
- Provide an outline of the content for each objective. It must be more than a restatement of the objective.
- Select the time frame for each objective in 5, 10 or 15 minute increments.
- View the Suggested Verbs/Adjectives in the Cognitive, Affective and Psychomotor Domains list.

Please enter 1 learning objective below.
